MEETING SUMMARY

Parks & Recreation Commission

6:30 PM - February 6, 2019
City Hall Council Chambers, Sammamish, WA

Commissioners Present: Hank Klein, Parks & Recreation Commissioner, Position 9
Eirlys Vanderhoff, Parks & Recreation Commissioner, Position 1
Seth Van Grinsven, Parks & Recreation Commissioner, Position 6
Sarvinder Marwaha, Parks & Recreation Commissioner, Position 7
Sid Gupta, Parks & Recreation Commissioner, Position 5
Katherine Low, Parks & Recreation Commissioner, Position 2
Cheryl Wagner, Parks & Recreation Commissioner, Position 3

Commissioners Absent: Sara Houpis, Parks & Recreation Commissioner, Position 4
Nancy Way, Parks & Recreation Commissioner, Position 8

Staff Present: Angie Feser, Director of Parks & Recreation
Anjali Myer, Deputy Director of Parks & Recreation
Belle Stanley, Administrative Assistant

CALL TO ORDER

Chair Klein called the Sammamish Parks & Recreation Commission meeting to order at 6:33 PM.

ROLL CALL

Roll was called.

APPROVAL OF THE MEETING SUMMARY

The meeting summary was amended to include more detail regarding the motion proposed to move forward with the consultant, HBB, for the Klahanie Park Master Plan. Approved with the amended description.

APPROVAL OF AGENDA

Motion presented to postpone Topic #1, Chair and Vice Chair elections, until the March 6th meeting to allow full participation.

Motion passed unanimously.

Sid Gupta moved to Approve the 02/06/2019 meeting agenda as changed.

Draft**PUBLIC COMMENT**

No public comment.

CHAIRMAN'S REPORT

Hank Klein welcomed the new commissioners Eirlys Vanderhof, Sarvinder Marwaha and Seth Van Grinsven and each gave a brief introduction.

TOPICS

East Sammamish Park Baseball Field - Overhead Netting Discussion and Recommendation

Angie introduced consultant Eric Gold, with DA Hogan, to answer technical questions regarding netting options. Shelby Perrault provided a brief introduction to East Sammamish Park. Eric presented the different netting concepts, estimated costs and logistic overview.

[East Sammamish Park Baseball Field - Overhead Netting Discussion](#)

[ESP Netting Presentation](#)

Cheryl Wagner moved to Motion to endorse to Council Option #6 as outlined in the ESP Netting Presentation.

Reard Freed House - Programming Document Discussion

Shelby Perrault reviewed the history of the Reard-Freed House and the modifications/renovations that have occurred over the last few years. The discussion included a proposed programming document showing potential programming opportunities that can be accommodated by the current occupancy and parking parameters. The document serves as a reference document. The Sammamish Heritage Society was presented the document and were requested to provide feedback in consideration of the organization's and public use for the Reard-Freed House. Commissioners were encouraged to provide feedback on the document to Shelby through February 18th.

[Reard-Freed House Programming Document](#)

DIRECTOR'S REPORT - ANGIE FESER

Recreation - Lunar New Year occurred on February 2nd at CWU. The event was well attended with approximately 3000 in attendance. Chris Jordan is working on Galaxy, a volunteer scheduling software app and looking to expand it to other community groups to create a volunteer hub.

Maintenance - With snow, majority of parks maintenance crew join public works and focus on streets and snow removal. Parks can be closed with the change in focus. Approval has been received for a second Parks Maintenance Lead.

The department also received approval for a Management Analyst.

Capital Improvements - Anjali Myer Klahanie Master Plan from HBB was approved by Council. Big Rock Park Site B design is advancing. Wayfinding and land acquisition projects are continuing to also make progress.

PARKS COMMISSION LIAISON REPORTS

Sammamish Friends - Sid

Sammamish Community Wildlife Habitat - Kathe

Native Plant Stewards -Cheryl/Sid

Draft

Sammamish Walks - Hank Schedule for 2019 is underway with the first walk planned for Earth Day. This is noted as the Tree Walk and will take place in Beaver Lake Park.

Trail Stewards - Nancy No report

Sammamish Youth Board - Sara No report

Sammamish YMCA - Sarvinder

Sammamish Market - Seth

Community Garden - Eirlys

NEEDED FROM COMMISSION:

Klahanie Park Master Plan Discussion - Hopes, Dreams and Concerns

KEY FACTS AND INFORMATION SUMMARY:

The purpose of this discussion is to review park background information, an analysis of existing conditions and uses at Klahanie Park, and discuss hopes, dreams and concerns related to the master plan.

Summary:

Klahanie Park is a 64-acre park located in the southeast section of the City. The park is comprised of natural turf fields including two multi-purpose sports fields, one baseball field and a cricket pitch. Additionally, the park features a small play structure, restrooms, parking, a segment of King County's East Plateau Regional Trail, natural areas and Queen's Bog, which is one of roughly fifty bogs located in Washington State. Having been in use for nearly 25 years with only minor improvements, park features are nearing the end of their life cycle or are in need of major repair. A master plan will be the City's first attempt to look at potential improvements to this park in a comprehensive manner utilizing a process that provides involvement of the entire community. It will also enable the city to consider how a previous County park will best incorporate into Sammamish's overall park system.

A representative from the consultant team, HBB, will present background information, an analysis of existing conditions and uses at Klahanie Park in further detail at the March 6, 2019 Parks & Recreation Commission meeting. At that time, the Parks & Recreation Commission will be asked to discuss their hopes, dreams and concerns related to the master plan of Klahanie Park. This information will be used, in conjunction with input received from the City Council, city staff and the public, to assist with the development of an overall vision with supporting goals and design criteria for the park.

Project Background:

The park was built by a Homeowners Association and transferred to King County in 1994 following construction. In January 2016, Klahanie Park was transferred to the City as part of the Klahanie annexation. Since annexation, improvements have been made to the park, which include drainage modifications to the baseball field, installation of the City's first cricket pitch, turf aeration of the two multi-purpose sports fields and minor renovations to the restrooms.

Following annexation, the City took over field reservations for the two multi-purpose fields and baseball field. In addition, the City introduced annual recreation events during the summer, such as the Shakespeare in the Park and KidsFirst programs.

Master Plan Process:

A twelve to eighteen-month effort is anticipated for the master plan process with participation from the community at large, City staff, Parks & Recreation Commission, City Council, and community stakeholders. The master plan process consists of three phases as described below:

Phase 1 Site Investigation and Analysis

Evaluate existing site conditions, identify sensitive areas, complete site studies, and develop an overall understanding of the site. During this initial phase, a survey will be developed and used to assist with the development of initial park concepts for public discussion.

Phase 2 Park Program

Following survey development, the first public meeting will be held to present site analysis, initial survey results, and provide the Sammamish community an opportunity to share their hopes, dreams and concerns for the park.

Based upon the results of site analysis, City staff input, technical input and initial public input, a preliminary park design program will be developed that details proposed uses, design character and criteria.

Phase 3 Master Plan Development

The remaining public engagement will take place during the third phase of the master plan process. Two to three Master Plan alternatives will be prepared, based upon the approved design program. This will include a narrative that summarizes the existing conditions, design alternatives, cost implications and regulatory criteria, and identifies issues which will require further study at the next stage of project development.

Based upon feedback from the community, Parks & Recreation Commission, and City Council, the alternatives will be revised in to one preferred Master Plan alternative with a preliminary cost estimate. The final deliverable will be a Master Plan Report, with final project drawings and narrative, project process, project phasing scenarios and phase costs.

Anticipated Timeline:

- Parks & Recreation Commission Meeting #1: March 6, 2019
- City Council Meeting #1: March 12, 2019
- Focus Group Meeting #1: March 14, 2019
- Public Meeting #1: Tentatively March 21, 2019
- Public Meeting #2: May 2019
- Joint City Council/Parks & Recreation Commission Meeting #2: June 11, 2019
- Public Meeting #3: August 2019
- Parks & Recreation Commission Meeting #3: September 2019
- City Council Meeting #3: October 2019

Next Steps:

Review the site analysis and background information with City Council, a focus group and the public, then develop an overall vision with supporting goals and design criteria for the park. Initial concepts will be developed in the spring based on feedback received and brought back in front of the City Council, Parks & Recreation Commission, and the public.

NEEDED FROM COMMISSION:

Should the Parks and Recreation Commission recommend to City Council to adopt the Condemnation Ordinance for the Lower Commons to Big Rock Park Trail Easement?

KEY FACTS AND INFORMATION SUMMARY:

The purpose of this discussion is to seek recommendation from the Parks & Recreation Commission to City Council, to condemn a 20' wide easement across the open space tract of the Balmoral Division No.

1 subdivision, to complete a proposed trail connection, noted in the City's Trails, Bikeways and Paths plan as early as 2004 and adopted in the 2018 Parks, Recreation and Open Space Plan.

Project Summary

The City of Sammamish is working to acquire the second half of an easement (700 feet in length), to connect Sammamish Commons to Big Rock Park and Beaton Hill Park at SE 8th Street. This connection will support a key non-motorized loop and will also connect the neighboring residential areas to city services provided at Sammamish Commons and the future Town Center Development.

The potential trail corridor requires the City to purchase 20-foot wide trail easements through open space tracts owned by two single-family subdivisions, Lancaster Ridge and Balmoral Division No. 1. To clarify, the trail easement will be housed within the commonly owned open space tract and will not encroach into the individual lots themselves. The intended improvements within the easement are a 5-foot wide pedestrian-only soft surface trail that will work with existing grades and meander around existing trees.

Lancaster Ridge, the southern half of the easement, has an incorporated homeowner's association (HOA), and the City completed acquisition of the trail access easement in February 2018 after collaborating with them for about three years.

Balmoral Division No. 1 does not have an incorporated or binding Homeowner's Association; therefore, negotiations and secured agreements need to be made with each of the nine (9) lot owners. To assist with communication, a real estate consultant with experience in public land acquisition has been contracted since 2013. To date, the City does not have consensus for acquisition among all nine property owners.

The 2018 Parks, Recreation & Open Space (PRO) Plan, builds on the planning effort of the 2012 PRO plan and the 2004 TBP Plan. Public input of the PRO Plan documented the top priorities for citizens which include purchasing land for and building new trails for walking, biking, and hiking. The Sammamish Commons and Town Center Trail, linking Big Rock Park, Commons and Town Center was identified in the top five locations for recommended trail networks in the City.

Project Background

The 2004 Trails, Bikeways and Paths (TBP) Plan, identified the Sammamish Commons Trail discussed in this agenda bill, as a priority under recreation based Trail and Path Improvement Projects.

In 2013, staff began the research and site analysis phase of the trail project. Five (5) route options were evaluated and considered with this trail as the preferred option. Information about the potential trail corridor from GIS maps, land surveys, and previous wetland delineations were used to help determine an ideal route for a soft-surface, 5-foot wide proposed trail. Once a route was identified, City staff contacted property owners within Lancaster Ridge and Balmoral Developments to discuss acquiring a trail easement.

Between 2013-2016, Parks contracted consultants to perform a wetland and stream reconnaissance to evaluate a potential trail alignment, as well as appraisals for the 20-foot wide easement to provide for

a meandering 5-foot wide trail. City Council authorized staff to begin negotiating easement acquisitions for the tracts in January 2017.

The City completed acquisition of the easement from the Lancaster Home Owners Association (HOA) in February 2018. The Lancaster HOA was compensated \$42,500 for roughly 400 lineal feet of access easement. As an HOA, the acquisition required approval by the organization and therefore, a majority of the membership.

Because the Balmoral Development does not have an HOA, an acquisition requires an agreement with all nine land owners. An offer letter was sent via certified mail to each of the Balmoral residents January 16, 2018 with an offer of \$6,666.67 (1/9 interest in \$60,000). The acquisition amount of \$60,000 for a roughly 700 lineal foot trail easement is supported by an appraisal dated December 7, 2016. Not all nine land owners responded affirmatively to the easement purchase offer so no purchase agreement resulted.

On October 16, 2018, a formal notification letter was sent to all nine affected property owners within the Balmoral Division No. 1 indicating that City may need to exercise its right of eminent domain and would be holding a public hearing and consideration of a condemnation ordinance. Acquisition negotiations were still available during this time. At the November 20th Special City Council meeting, the Council heard public comments related to the condemnation ordinance and chose to extend the public hearing until the next regular council meeting on December 4, 2018.

At the December 4, 2018 council meeting, Council heard public comments related to the condemnation ordinance. Council closed the public hearing portion of the meeting and voted to delay the vote to consider adoption of the condemnation ordinance. As an amendment, Council requested a staff update no later than March 30, 2019.

In February 2019, City staff proceeded with a second formal notification process to inform the Balmoral property owners that Council will hold a third public hearing and consideration of the adoption of a condemnation ordinance on March 19, 2019.

FINANCIAL IMPACT:

The anticipated costs to purchase the easement is approximately \$60,000. The amount of \$1,000,000 is allocated in the 2019 Parks Capital Improvement Plan (CIP) for Land Acquisition.

OTHER ALTERNATIVES CONSIDERED:

The Commission may choose not to recommend that Council adopt the Ordinance for Condemnation.

[2018 Parks, Recreation, and Open Space](#)

**CITY OF SAMMAMISH
WASHINGTON
ORDINANCE No. O2018-__**

**AN ORDINANCE OF THE CITY OF SAMMAMISH,
WASHINGTON, AUTHORIZING USE OF
CONDEMNATION PURSUANT TO CHAPTER 8.12 RCW AS
REQUIRED FOR THE LOWER COMMONS TO BIG ROCK
PARK TRAIL; AUTHORIZING PAYMENT THEREFORE
FROM THE CITY'S PARKS CAPITAL IMPROVEMENT
PROGRAM FUND; PROVIDING FOR SEVERABILITY;
AND ESTABLISHING AN EFFECTIVE DATE**

WHEREAS, City of Sammamish (“City”) residents have identified trails as a top priority in the park system and desire to have a network of interconnected, single- and multi-use trails for walking, running and cycling to promote connectivity between parks, neighborhoods and public amenities or destinations; and

WHEREAS, with the development of the Town Center, the City has an opportunity to create a trail corridor that links not only to the Sammamish Commons, but could be expanded to connect to Big Rock Park; and

WHEREAS, in creating a trail corridor, the City seeks to connect two City parks, the Lower Commons Park and Big Rock Park (the “Lower Commons to Big Rock Park Trail”); and

WHEREAS, the Lower Commons to Big Rock Park Trail has been a priority for the City since 2004, as identified in the City’s Trails, Bikeways and Paths Plan; and

WHEREAS, the Sammamish Commons Trail Connection Phase I: Lower Sammamish Commons to Big Rock Park has been funded in the City’s Parks Capital Improvement Plan (“CIP”) since 2013; and

WHEREAS, the Sammamish Commons & Town Center Trail – linking Big Rock Park, the Commons, and Town Center has been identified as a priority trail connection for the City, as identified in the City’s 2018 Parks, Recreation, and Open Space Plan (“PROS”); and

WHEREAS, the goals, objectives, and policies presented in the 2018 PROS Plan reflect and amplify the goals, objectives, and policies that are referenced in the City of Sammamish Comprehensive Plan; and

WHEREAS, two single-family subdivisions, the Balmoral Division 1 (“Balmoral Division”) and Lancaster Ridge, are located between the two parks. Each subdivision has private open space that provides the potential for a trail connection; and

WHEREAS, in 2018, the City successfully negotiated with Lancaster Ridge residents to

obtain an easement through their open space to accommodate the Lower Commons to Big Rock Park Trail; and

WHEREAS, the Balmoral Division open space property is an open space tract held in common ownership by nine owners of individual properties, depicted in Exhibit A and legally described in Exhibit B (“the Take Property”); and

WHEREAS, on-going efforts to acquire the Take Property by negotiation and agreement are being undertaken by the City and its agents; and

WHEREAS, in the event that negotiated acquisition of the Take Property is not fully successful in advance of the anticipated commencement of construction, it is essential that the City be prepared to initiate condemnation proceedings; and

WHEREAS, payment of just compensation for the Take Property acquired through condemnation and costs of litigation should be made from the City’s Parks CIP; and

WHEREAS, the City Council finds that acquisition of the Take Property for the Lower Commons to Big Rock Park Trail is for a public use, in the public interest, and is necessary; and

WHEREAS, the City has provided notice of the adoption of this Ordinance in the manner set forth in RCW 8.12.005 and 8.25.290;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SAMMAMISH, WASHINGTON, DO ORDAIN AS FOLLOWS:

Section 1. Declaration of Public Use and Necessity. Acquisition of real property and property rights for the Lower Commons to Big Rock Park Trail Project, which will connect two City parks—the Lower Commons and the Big Rock Park—is for a public use, in the public interest, and is necessary. The Lower Commons Park to Big Rock Park Trail will be used for necessary open space, park, and recreation purposes. The Lower Commons to Big Rock Park Trail will be constructed and maintained for the benefit of the public. The City Council specifically declares that acquisition of the real property and property rights legally described in Exhibit A and depicted in Exhibit B, attached hereto and by this reference fully incorporated herein, is necessary for the public use of establishing the Lower Commons to Big Rock Park Trail.

Section 2. Authorization to Exercise Power of Eminent Domain. The City Attorney is hereby authorized to commence condemnation proceedings to acquire the real property and property rights legally described in Exhibit A and depicted in Exhibit B under the City’s power of eminent domain pursuant to Chapter 8.12 RCW.

Section 3. Compensation. Compensation to be paid to the owners of the properties identified in Section 2, above, and costs and expenses of litigation authorized by this Ordinance, shall be paid from the City’s Parks Capital Improvement Plan.

Section 4. Severability. Should any section, paragraph, sentence, clause or phrase of this

Ordinance, or its application to any person or circumstance, be declared unconstitutional or otherwise invalid for any reason, or should any portion of this Ordinance be pre-empted by state or federal law or regulation, such decision or pre-emption shall not affect the validity of the remaining portions of this Ordinance or its application to other persons or circumstances.

Section 5. Effective Date. This Ordinance shall be published in the official newspaper of the City, and shall take effect and be in full force five (5) days after the date of publication.

ADOPTED BY THE CITY COUNCIL AT A REGULAR MEETING THEREOF ON THE ____ DAY OF _____, 2018.
