Topics:

1) Presentation Northeast Sammamish Sewer and Water District

Laura Szentos, General Manager of Northeast Sammamish Sewer and Water District and District Commissioners, Jim Brazel, Bruce Heywood and Bob McFadden were in attendance. They gave a PowerPoint presentation on the district's efforts to preserve the watershed and protect the ground water.

2) Presentation Sammamish Plateau Water and Sewer District

Ron Little, General Manager of Sammamish Plateau Water and Sewer District gave a report on what they are doing to protect the groundwater and keep the water supply clean.

Council discussed a volunteer traffic monitoring plan to help decrease the amount of speeding on the City's major streets.

Mayor Gerend closed the study session at 9:30 pm.
